Mr J. B. Finley

Dear Sir

I received from you a letter some time since in answer to one I wrote you in answer to one addressed you to Mr W. V. Lister. in your last letter you informed me that you would be in Cincinnati in a short time, and leave the watch with Mr Morgan & Co as requested by Mr Jno. Millikin of Paducah, I was at Paducah on the 25th Dec past at which time he informed me he had not heard any thing from you for some months nor had the watch ever come to hand.

You will please drop me a line to this place informing me whether or not the watch has been left or sent to Cincinnati, and in whose hands, If you still have the watch please send it to some one of your acquaintances in Cincinnati, and inform me in whose hands you send it together with the amount of expense you have been at in procuring it and I will either go or send for it and send the amt that may be due you, I shall be in this place during the session of the Legislature which will last untill about the first of March.

I wrote to the house in Philadelphia from

Whom Mr Lister purchased the watch.

They write that they are not entirely certain
but think the No is 827 J. Johnston
Maker. If you should have left the watch
with Sugan & Co before this reaches you
please inform me immediately, and you
will Very much oblige

Sir your Obedt

servt

Chas. E. Wright

P.S.

I recd a letter from Mr Lister a few
days before I left home in which he
informed me of his intention of returning
to Kentucky in the spring
